GEKA Presents The New Trend-Based Beauty Collection "Soul Craver"

GEKA GmbH | Product info | 21 JUN 2022

"Soul Craver" is a beauty collection that shows how market trends can be transferred into products, application performance, decoration, and product appearance. Inspired by a beauty trend for autumn/winter it comes with new ready-to-go solutions and high-performing cosmetic applicators.

BEAUTY TREND FALL / WINTER 2022 / 23

The heart of the trend is all about hyper sensuality, innovation, self-optimization, and nourishing. As we learn to respect our body more and more - the vehicle that carries us through life - we start to develop a protective and - caring attitude towards ourselves, towards the others, and towards nature. By protecting nature, we are protecting ourselves and future generations.

ALL IN ONE MASCARA

GEKA's magicEYES brush:

- EOS fibers for heavenly separation and optimized volume-effect
- HYPNO out with 3 grooves: Bulk reserve zones for extra volumized lashes
- Ideal blade configuration for lash lengthening from roots to tips

The brand-new cigar shaped packaging appears metallized with GEKA's reliable click-close mechanism.

Formula: Clean, vegan, not tested on animals. Recycled 100/100 points at YUKA certification.

LASH & BROW SERUM

GEKA's definitionLINER:

- Soft as a brush, precise as a nylon applicator
- Multi-benefit applicator for brows & lashes
- Easy adjustment of line thickness for maximum control

The mini-sized packaging is loaded with glossy masterbatch and refined with in-house silk screen printing.

Formula: Vegan, free of parabens, not tested on animals, serum with growth ingredients.
